

PURE

VISION

QUICK START GUIDE

ROAD_ANGELTM

Introduction

Thank you for choosing the Pure Vision, from Road Angel. As our roads become busier, more congested and more regulated, staying alert to road and traffic conditions is a challenge to everyone. Even the most conscientious driver can have a momentary lapse of concentration that could easily lead to an accident or a fine & points.

The Road Angel Pure Vision requires a subscription to function and the Pure Vision is supplied with a complimentary, limited, subscription. There are various subscription options available, 12, 24 and 36 months

LIVE DATA: The LIVE DATA subscription is required to get all the great features and benefits from the Alerts Database and Road Speed Library.

LIVE DATA + SMART MOTORWAYS: The SMART MOTORWAYS subscription is an additional "bolt-on" that brings real time live gantry variable speed limit information to the Pure.

To purchase a subscription package, visit your online account at <https://www.roadangelgroup.com> or call **0330 320 3030**

The safety of you and your passengers is our prime consideration and we trust that for all the miles you drive, your Road Angel Pure Vision will enhance the safety and enjoyment of your journey. We are pleased to have you as a valued customer and hope you will be delighted with your Road Angel Pure Vision. Having listened to our customers we think the new features will make this product your perfect driving companion.

What's In The Box

Pure Vision

Dash Mount

USB-C Charging Cable

3 Pin Plug

Dual Type Adapter

Reset Pin

User Guide

Cleaning Cloth

3M Sticker

Carry Pouch

Getting Started

For safety reasons the Pure Vision is shipped with the battery in a discharged state. To charge and condition the battery, the unit must be charged for 2-3 hours, on the supplied mains or vehicle charger.

During this initial charge this an ideal opportunity to update the on board firmware (if required) safety camera data and road speed limits.

①

Plug the **Pure Vision** into power using the accessories provided.

②

Search for Road Angel on your chosen appstore or use QR code below.

③

Download, install and open the app then follow the instructions.

Important Information

Battery

This product contains a lithium-ion battery.

We recommend that you fully charge the battery before you use the Touch for the first time. A new battery or one that has not been used for a long time could have a reduced capacity the first few times it is used.

Only Road Angel authorised personnel can replace the battery in your unit. Using other batteries and chargers could be dangerous.

Battery charge time can vary depending on different conditions such as operating temperature, application usage patterns, features selected and voice transmissions when using the Wi-Fi functionality.

Disposing of the Battery and or Device

THE BATTERY CONTAINED IN THE PRODUCT MUST BE RECYCLED OR DISPOSED OF PROPERLY ACCORDING TO THE LOCAL LAWS AND REGULATIONS AND ALWAYS KEPT SEPARATE FROM HOUSEHOLD WASTE. BY DOING THIS YOU WILL HELP CONSERVE THE ENVIRONMENT.

In the EU/EEA, this product is marked with the wheelie bin symbol on its body and/or packaging as required by Directive 2012/19/EU (WEEE). This product shall not be treated as household waste or be disposed of as unsorted municipal waste. You can dispose of this product by returning it to the point of sale or bringing it to your local municipal collection point for recycling.

This Device is designed as a Driving Aid, this will not replace the Driver's responsibility to pay attention to the road ahead in order to make safe and informed decisions.
